Respondent.	§	

ORDER ADOPTING MAGISTRATE JUDGE'S FINDINGS AND CONCLUSIONS

Before the Court is the petition for writ of habeas corpus under 28 U.S.C. § 2254 of petitioner Omar Anderson, along with the September 10, 2007, findings, conclusions, and recommendation of the United States magistrate judge. The magistrate judge gave the parties until October 1, 2007, to file written objections to the findings, conclusions, and recommendation. As of the date of this order, no written objections have been filed.

The Court has reviewed the pleadings and the record in this case and has reviewed for clear error the proposed findings, conclusions, and recommendation of the United States magistrate judge filed on September 10, 2007. The Court concludes that the petition for writ of habeas corpus should be dismissed with prejudice for the reasons stated in the magistrate judge's findings and conclusions.

Therefore the findings, conclusions and recommendation of the magistrate judge are ADOPTED.

Petitioner Omar Anderson's petition for writ of habeas corpus is DISMISSED WITH PREJUDICE.

SIGNED October 12, 2007.
